Student Name

Dear Parents and Teachers,

Our main objective at Silent River Kung Fu is to develop well-rounded students who conduct themselves with discipline and respect within our school and in society as well.

Our school teaches the principles of Black Belt Excellence. Not only do students become Black belts in kung fu, but they also strive to become academic Black belts and eventually, corporate Black belts or Black belt employees. At Silent River Kung Fu, Black belt is used as a metaphor for personal excellence.

In order to monitor our student's progress toward these goals, we respectfully request that you complete the following:

### Teacher

This student is respectful and is exhibiting satisfactory effort in class.

AGREE      (circle one)      DISAGREE

If our student does not meet these requirements at home, at school, or here at Silent River Kung Fu, we will hold the student's promotion until there has been satisfactory improvement.

If you have any concerns or questions, please contact us.

Sincerely,  
Jeff Brinker
